- The electronic heart rate monitor and display system will be used to determine the heart rate of horses as per set protocol.
- At the first inspection please ensure that your horse is sufficiently warmed up before you bring it in for inspection. Any horse not permitting examination or which is found dangerous to the examiners will be eliminated.
- Only two persons are permitted to accompany the horse inside the Vet Gate; no other team members will be allowed.
- Any act of deliberate delay in presenting the horse for examination will be severely dealt with.
- Pulse re-inspection requires a new (Vet-In time). The exit of the horse from the Vet Check area must be recorded on the "Way Out" window before a new (Vet-In-time) can be given. Any compulsory re-exams will be held 15 minutes before the departure to the next loop.
- Any horse retired after the start should be presented to an official ride veterinarian before it leaves the venue.
- Whips, spurs, French reins & long reins are not permitted. The horse's head must have freedom of movement.
- Vehicles accompanying a rider during the ride are not allowed near the tracks/ routes of the horses in a form that may cause obstruction or in a disturbing manner that may affect the course of the competition; crewing from inside the car is also forbidden. Such acts will implicate punishments to the rider.
- **Accepting and intervention by a third party, whether solicited or not, with the object of giving advantage to the Rider or their Horse will be penalised. (Yellow Warning Card & disqualification). This will be strictly enforced in the last 2 km before the finish line.**
